

GoGoD for Under-18 Players

The trustees of the Castledine-Barnes Trust <http://www.castledinebarnestrust.org.uk/> have decided to make a number of copies of the GoGoD disc available to Go players under the age of 18 years at a subsidised price of £7.50 post free. £5 of this subsidy is generously given by GoGoD, and the remaining £7.50 by the Trust. Adults who are actively involved with U-18 Go activity may also purchase at this price. Membership of the British Go Association is not required, but is encouraged by the Trust.

To order, please send by post a cheque for the required amount. Make the cheque out to *T Mark Hall*, but send it to me,

Francis Roads, 61 Malmesbury Road, London E18 2NL.

Several copies may be ordered at once. I shall need to know the names, addresses, and ages if under 18 of the recipients, and some indication of their entitlement to the subsidy (e.g. they play Go regularly). This information may be sent with the cheque or by email to me at francis.roads@gmail.com. As always, any such information is treated by the Trust as confidential. This offer is immediately available and is available in the UK only.
